CDE brings Independent Living to people with disabilities in central Ohio

The Center for Disability Empowerment provides the tools for people with disabilities to live more independently in a world that often forgets them or ignores their important needs. Your support during the Columbus Foundation's **Big Give** will help us reach out even more to those we serve as they achieve their goals and dreams.

The Center for Disability Empowerment provides supports and resources in order for people with disabilities to be participants and contributors in their communities as they live, learn, worship, work and play alongside people who do not have disabilities.

Visit ColumbusFoundation.org and search for **The Center for Disability Empowerment** during The Big Give. Your online donation will be amplified or boosted at no cost to you through a \$1.3M bonus pool. Give today.
